

# HANDRAIL

## H.40

Life-blend® PVC Free

With a classic and sturdy design, the H.40 handrail with aluminium core,  $\varnothing$  40 mm handle and tubular wall brackets in Life-Blend, is ideal for a strong wall support, thanks to the 3-hole plate fixing for both end-caps and wall brackets. Can also be installed on plasterboard walls with double sheet.

### SMOOTH FINISH

Handrail with a smooth finish to guarantee perfect hygiene and cleanliness.

### CONTINUOUS PROFILE
